Contact Email

Pursuant to Sacramento Regional Solid Waste Authority (SWA) Code Title IV Chapter 4.01, the above named facility is applying for exemption from all requirements of Chapter 4.01.150 for the following reason (s):

EXEMPTIONS (mark all that apply)*

*Property is subject to inspection by an Environmental Specialist to determine if exemption is valid

My business / property generates less than 4 cubic yards of garbage per week. (4.01.150)

No recyclable materials are generated by the facility. (4.01.150 F)

We generate less than 100 gallons of organic material per week. (4.01.150)

There is not collection service available for my materials. (4.01.150 E)

There is not adequate storage space for a dumpster or cart on site. (4.01.150 G1, G2)

Results in a violation of zoning code or minimum parking spaces requirements. (4.01.150 G3).

Please describe the reason(s) compliance with all or some terms of the Ordinances cannot be accomplished.

By signing below, I certify that the reasons for my exemption request as claimed above are complete and accurate.
